

Congratulations for finishing the AHAVA prayer sheets
for this Torah cycle in the book of Leviticus.

Praise God for you and your heart for Intercession
and for drawing closer to Him through His word and through your worship and prayer.
May you and your loved ones be blessed abundantly!

At the end of each book of Torah, we say these words:

CHAZAK CHAZAK VENIT CHAZEK !!

“Be strong, Be strong
and let us strengthen one another !”
