Now Joseph was the ruler over the land. He was the provider of grain for all the people of the earth.
Genesis 42:6

Joseph`s story comes near a climax as he is called out of the dungeon and in to the light of this new phase where he will interpret Pharaoh`s dreams, becoming the second to Pharaoh and in charge of the whole of Egypt. We start to see so much being revealed about Messiah Yeshua as the stage is set for Joseph to become a `savior` of his family and the world from famine. Joseph was always a light to those around him even in the prison and the darkest scenarios.

Joseph was not recognized at first by His brothers when they go to Egypt for food to survive. Remember the early scene with 17 year old Joseph where there was `no shalom` between the brothers. His brothers even tried to kill him. They sold him for pieces of silver. Yet they end up being saved by his life-giving bread. All these things point to our Messiah Yeshua, the Bread of Life and Savior of the World. All along, Joseph was guarded by the LORD and we see the good purposes all was meant for. There is a reconciliation with his brothers that is poignant beyond words.

There will come a day, and it is getting nearer, where like Joseph who reveals himself to his brothers who no longer recognized him, Yeshua our Messiah will reveal himself before the Jewish people. Of course this is happening already as we can testify to, but we know `at the end` there will be a great redemption with the revelation of Yeshua to His brothers and the world will know Shalom! May we pray for all of Israel to see the Salvation of Yeshua in this Chanukah season and may we increasingly see the Light of the World revealed in this day!!!
