

In the beginning, God created the heavens and the earth.

Genesis 1:1

In the beginning! We are starting a new in this day that the Lord has made!! Let us rejoice and be glad in it! Give praise to our Maker, the Creator of the Heavens and Earth! By His Word He created all things!

Isn't it amazing how our loving God provided for us before He created us. The earth where we live, the sun that gives us light, the waters that swarm with living creatures, the plants and trees as food from all kinds of seed. He created man on day six, and then the very next day He sanctified the day of rest. A Shabbat rest to marvel at all He created and most of all to delight in Him! His lovingkindness is unending.

As we begin a new Torah cycle, let us savor this new day, praise His name and thank Him from the rising of the sun to the going down of the same. *And there was evening and there was morning*, a new day. From the beginning, each “day” started in the evening. This Shabbat as we light the candles let us rest in Yeshua, our Lord of Shabbat. May we remember His work of Creation, as if it were that very first Shabbat. Let there be Light! Yeshua is the Light of the World! He guides us by His Holy Spirit, into the light of each newly created day. May we be the light to those in our lives as we are commanded to be! This year may we never cease to be in awe of His wondrous deeds, of His wonderful heart of Love! May the grace of the Lord Yeshua be with all!
